PAYING HOMAGE TO OUR ORIGINS

NESTLED in a bucolic area known for its swift streams, fresh air and idyllic climate, Mount Olive, NJ is reminiscent of the pastoral regions of Italy known for curing timeless meats. What better place to balance and blend the time-honored traditions of Fratelli Beretta, masters of salami since 1812, with our state-of-the-art facility.

Because these meats are truly exceptional, we pay homage to this special place by simply naming our premium all natural line, Mount Olive.
